

## Hollard Foundation

MMI Charities has collaborated with the Hollard Foundation to support the children and caregivers at Sizanani Home Based Care. The Hollard Foundation also supports many other community programs, similar to Sizanani, throughout South Africa. The foundation pledges to at all times act in the best interest of the children as they play a leadership role in actively finding and implementing solutions to achieve the following vision and mission.

### Vision

To ensure that orphans and other vulnerable children primarily affected by the HIV/AIDS pandemic have the opportunity to achieve their full potential in life.

### Mission

We collaborate with children, their families, their community and community organizations, government, non government organizations and business to provide holistic care to South African children in distress, thereby safeguarding the opportunity for orphans and other vulnerable children to achieve their full potential in life.

### Values

- Integrity
- Respect and Equality
- Client Focus
- Servant Heart (defined as using our gifts and talents for the benefit of others and not being concerned with the recognition or reward to ourselves)
- Accountability
- Transparency
- Confidentiality
- Continuous Improvement
- Collaboration & Partnership
