

Merrymeeting Group

Merrymeeting, Group (www.merrymtggroup.com) is a Cleveland based investment firm specializing in the acquisition and development of franchise, software and investment companies. Founded in 2001 by John Davies, President and CEO, MMI has grown from a local company to an organization with an international presence on six continents.

Merrymeeting Inc. founded MMI Charities in 2006 to give back to both the local Cleveland community and the communities supported by it's franchised office owners.

MMI currently supports nine operating companies; two software companies, an investment bank and six franchise subsidiaries including; Frontier Adjusters , the largest claims adjusting franchise system in North America, Sunbelt Business Advisors, the world's largest network of franchised business broker offices, MTOclean, a national franchise of full-service cleaning professionals, Inspect-It-1st, a national franchise of home inspectors, Computer Troubleshooters, the world's number one computer service franchise, and InnerCircle, a peer advisory company. MMI currently supports 1700 franchised offices worldwide.
