

MMI Scholarship Funds

Annually, the children and grandchildren of Merrymeeting Inc. (MMI) franchised office owners are encouraged to apply for MMI scholarships. Children of all ages are encouraged to apply and scholarships are granted for all forms of education, including college, private primary and secondary schools and other forms of continuing education and development. During the past 5 years, we have awarded more than 100 scholarships through this program.

Additionally, MMI Charities sponsors a scholarship for students at Cleveland Central Catholic High School for students pursuing a career in nursing. For information about Cleveland Central Catholic, please visit <http://www.CentralCatholicHS.org>
