

Sizanani 2006 Christmas Project

MMI Charities helped to fund the 2006 Christmas Party for Sizanani, on December 9th. MMI Charities purchased 400 book bags for the children at the request of the Sizanani staff. 200 pounds of hard candy, gum, toothpaste, toothbrushes, and toiletries were also shipped from various donors to Sizanani for the children and their caregivers. These items were bagged and placed in the schoolbags to be given to each child at the Christmas Party by Father Christmas.

"The party was so full of smiles," stated Gillian Stern, Director of the Hollard Foundation. "The children really enjoyed themselves."

To all those who contributed to this project, please accept our gratitude for sharing your thoughts, prayers, and gifts with the children of South Africa. The needs of these children are great, and your generosity can bring both happiness and hope into their lives.
